Dear Mr. Weisberg:

In line with our conversation, I am glad to advise you that we have been able to locate the material which you loaned to us some time ago.

I am turning over to you herewith all of that material pertaining to Nazi propaganda in Chile, and details substantiating the expose as it appeared in Click magazine.

Would you be good enough to acknowledge receipt of this material by signing a copy of this letter, which is enclosed.

Thank you for your cooperation.

Cordially yours,

Norman L. Crowley
